

Welcome to Coast

Allow us to introduce ourselves, as this may be your first time here and we like our customers to know who we are and what we are about.

Our menu and dishes have been inspired by the finest local ingredients and influenced by our locality to the sea. These dishes have been compiled by our head chef, whether they're good old fashioned classics or his own delicious creations.

To complement the delicious food, we offer an extensive selection of beers, individually sourced spirits and wines. Plus there are plenty of drinks of a non-alcoholic variety.

Cocktails are also a bit of a speciality. We've established a reputation as THE place in Arbroath for cocktails and our new creations don't disappoint. The team make the best of the fantastic spirits available and marry these with fresh, locally sourced ingredients and home made juices and infusions.

We love our cocktails at Coast but we don't take ourselves too seriously – you only need to check out our eclectic selection for proof. We've got all the classics you'd expect (with a modern twist) plus a few Coast favourites that have become classics in their own right.

The result: traditional cocktails with a contemporary twist, fabulous new sharing cocktails, unbelievable new flavour combinations that will wow your senses and a fun experience.

We hope that you enjoy your experience at Coast and look forward to welcoming you back soon.
